

Dear guest,

First of all, we would like to welcome you to Lasagne Company Delft, a restaurant where hospitality is of paramount importance. Lasagnes in a new look!

We believe it is important that we offer fresh, traditional and tasty lasagnes in a responsible manner. We also strive to purchase locally and organically as much as possible.

This way you can enjoy a delicious and healthy dish. And together we also help nature!
We use at least three types of vegetables in our lasagnes.

Moreover, we do not use fragrances, colorants or flavor enhancers.
You can also enjoy our unlimited shared dining menu. Share smaller dishes with your table companions and enjoy the fun together.

Questions about allergies or diets are no problem. We always provide a suitable solution.

We wish you a nice day and enjoy your meal!
